**Spy Trainer:** So recruits, you think you have what it takes to be a part of the most elite spy organization in the world? To prove yourselves, you must race against the other recruits for the best time in the most dangerous, stressful, and fast paced exam ever created! If you think you have what it takes to crack safes, break codes, and solve a tangled plot and save the world....then enlist today! (Up to 12 people)

**Subject Zero:** In the remote war-torn country of Rajikstan, a scientist working for the government has created the most dangerous weapon of all time. Not only are you tasked with capturing the scientist dead or alive, but you must also shut down his prototype creation so it can never be replicated! This isn't a mission for the faint of heart as only the best will return home alive. Do you accept this mission? (Up to 8 people)

**The Mansion:** Welcome to The Mansion. Owned by an eccentric and world-renowned philanthropist, it boasts having 108 rooms, a great dining hall, secret rooms, and mysteries abound. Tonight, you will participate in an experiment...an experiment that tests the fabric of the human condition. Your host is running a bit late but don't worry, the butler will explain everything. (Up to 8 people)

**Ruins:** Deep in the jungle, archeologists have found a temple that was thought to exist only in folklore. The Temple of Arciris was erected to appease the God of wrath. Said to have no mercy for mortal men, Arciris forbid any human from setting foot in his temple and those that did suffered an endless death. But that's all just a myth....right? (Up to 6 people)

**Baruta's Revenge:** As you come to, your head is spinning, and your ears are ringing. For a moment you can't remember what just happened. But then it all comes rushing back: being kidnapped, the sacrifice chamber, the hoods, the restraints, the fear and that voice... (Up to 8 people)

**GROUP BOOKING OPTIONS**

**Option 1**

You book the number of rooms/spots you need from **our regular schedule**.

**Cost/Payment**

Our regular price is \$25 plus tax per person. The following discounts will apply:

- 15 to 19 people: 5% off per person
- 20 to 29 people: 10% off per person
- 30 + people: 15% off per person

Please note that for this option, we need to have the exact number of participants per room as we will book according to your numbers. Our no-show policy (\$10 plus tax for each overbooked spot) will apply if fewer than expected people are in attendance. Leftover seats will still be available for public booking on our website. That means that others could join your group.

For groups of 20 or more players, a deposit of 25% is due when you book. The balance is due on the day of your visit. If you need to cancel, you must do so at least 7 calendar days prior to the actual booking day/time to get a refund. Please note that a \$20 administration fee will be charged for all cancellations. If you do not come or if you cancel within 48 hours of your booking time, we will charge your card 50% of the amount of the full booking.

## Option 2

You like option 1 but do not want to have strangers joining your group? Simple. **Book all the seats that are available for your room and time.**

Same as for Option 1 with the addition of our no-show/cancellation policy that will apply for any overbooked seats. You will be charged \$10 plus tax for each of the overbooked seats. For example, if you have 6 participants and booked the entire room (8 seats) you will be charged for the 2 no-shows, a total of \$20 plus tax.

You'll be guaranteed that nobody else will join your group as this will be a private booking. You can pick as many rooms as you want and you will then be able to decide how you want to split your group up between the different rooms. For each spot that you book but are not using, you will be charged \$10 plus tax.
